David Duncan
Preaching Minister

It may sound strange coming from the preacher, but most people don't need a sermon. They need someone to listen and an offer of a helping hand.

As I prepared this week's sermon, the old Glenn Campbell song, "Try a Little Kindness" kept running through my head. Fifty years ago it hit number 23 on the Billboard charts. It may have been written a long time ago but the words are still pertinent:

If you see your brother standing by the road/ With a heavy load from the seeds he's sowed/ And if you see your sister falling by the way/Just stop and say, you're going the wrong way

You got to try a little kindness/Yes show a little kindness/Just shine your light for everyone to see/ And if you try a little kindness/Then you'll overlook the blindness/Of narrow-minded people on the narrow-minded streets

Don't walk around the down and out/Lend a helping hand instead of doubt/And the kindness that you show every day/Will help someone along their way

Those words are powerful! The lyrics were written as a secular work but they sound like a hymn. Make this week special for someone. Try a little kindness.
